Problem Type :	GQ Pop too low	Type of Update :	UPDATE
Problem Title :	State College borough, Centre County, GQ pop too low.		
Issue site :	State College borough, Centre County, PA		
Division :	Population and Housing programs		
Problem Description :	State borough lost 1,660 in GQ pop between 1990 and 2000. This was caused by the loss of 1,814 in GQ pop in 57 Dormitory GQ units. There were a few small annexations. These missing GQ units could have been missed, refused to participate or possibly converted to Housing Units.		
Method :	According to PHPB branch tables and Arcview, State College borough lost 1,660 in GQ pop between 1990 and 2000. This was caused by the loss of 1,814 in GQ pop in 57 Dormitory GQ units. State College gained 1,092 in HH pop since 1990 and was 1,500 over estimates. Total HH pop was 27,695. State College gained 866 in HUs since 1990 and was 233 over estimates. Total HUs were 12,488. State College lost 586 in total pop since 1990 and was 492 under estimates.
